

PRECISE INVESTIGATION

INTEGRITY DISCRETION SKILL

C O R P O R A T E P R O F I L E

A man with long, wavy hair is looking through a glass partition. The image is dark and moody, with a blue tint. The man's face is partially visible through the glass, and his expression is serious.

"We believe that Private Investigation services should be results-driven, offering clients closure, or the answers they require, in the most efficient way possible. We don't believe in wasting your time or carrying out investigations that aren't targeted at achieving the results you need."

- John Ioannou, MD Precise Investigation

THANK YOU FOR YOUR INTEREST IN OUR SERVICES.

Precise Investigation has been successfully exposing lies, corruption, fraud and embezzlement for nearly three decades, in relation to corporate affairs, insurance matters, legal proceedings and personal concerns. Through applying a wealth of specialist techniques, exploiting technological advances and maintaining the highest levels of integrity and client satisfaction, Precise Investigation has built a solid reputation as one of the country's foremost Private Investigation firms.

PRECISE INVESTIGATION

INTEGRITY DISCRETION SKILL

Closure, peace of mind, security and corporate welfare are amongst the many long-term benefits that our professional services offer. Each of our operatives is a vetted specialist in their respective field, backed by a dedicated support team to give Precise Investigation the ability to tailor any case to our clients' needs.

Our operatives demonstrate diverse expertise and capabilities across the Finance, Law, Government, Insurance, Police, Education and Security sectors, amongst a multitude of corporate disciplines to ensure the utmost certainty in our work.

Your concerns, your specifications and your restrictions are deeply integrated into our approach, giving you the peace of mind that your investigation will be tailored to your case and handled with genuine care and attention.

Australia-wide Investigative Services

With operatives and support stationed across the country, Melbourne, Sydney, Adelaide, Brisbane, Perth, Hobart and even the more “remote” areas of Australia can all benefit from our private investigation services

Our Promise

“Our professional investigation services are tailored to your specific case and delivered to the corporate, legal, insurance and government sectors with the utmost integrity and risk governance.”

PRECISE INVESTIGATION

INTEGRITY DISCRETION SKILL

From effective workplace surveillance and insurance serving, Precise Investigation has the experience, people and resources that every successful case requires.

Our services can be seamlessly applied to specific insurance, financial, legal and government cases.

INSURANCE INVESTIGATIONS

We help insurers to determine key information regarding respective clients' claims – The potential for fraud, exaggerations, misrepresentations and non-disclosures, along with the ability to clarify the results of a claim are all intrinsic elements that we aim to cover in our successful insurance investigations.

SURVEILLANCE

Be it a case of workplace surveillance or insurance surveillance, Precise Investigation has the experience and resources to monitor a person or a company.

WORKPLACE BEHAVIOUR INVESTIGATIONS

Whether you suspect malpractice, employee misconduct or a range of associated corporate issues or risks within your company, Precise Investigation's team has the expertise to obtain the evidence you need, quickly and discretely. Our approach ensures an unbiased investigation and legally admissible evidence.

SPECIAL INVESTIGATIONS

In today's day and age, the threat to Australia is not just from abroad, but from within. As such, Precise Investigation has the integrated overview and experience to provide a unit that specialises in the investigation of internal threats.

any number of circumstances, to
on or area of concern.

FORENSIC INVESTIGATIONS

In a time where computers store nearly all corporate data and provide the means to share that information with alarming ease, there is a greater need than ever to track or trace sensitive information and files that may or could have been accessed by non-authorised persons. We provide a seamless forensic investigation service to mitigate and effectively manage risk.

... messages, videos and more.

DEBUGGING

Corporate espionage is still very much alive and, as such, Precise Investigation can implement any number of technological advances to locate and prevent surveillance or bugging equipment from having an impact on corporate welfare.

DUE DILIGENCE

Precise Investigation works to uncover and expose any underlying factors when looking to make high-level, executive decisions. We provide detailed reports and insightful information regarding the people, companies, policies or claimants in question.

PRECISE INVESTIGATION

INTEGRITY DISCRETION SKILL

Call Precise Investigation today to effectively reduce the risk, and associated costs, of corporate malpractice in your company.

REPORTING & EVIDENCE

Our operatives, coupled with the Precise Investigation support team, work hand-in-hand to deliver the most relevant and informative data to our clients. As per your organisation's requirements, our in-depth reports are focused on delivering the facts you need, and presented with comprehensive information pertaining to any legal implications.

OUR INSURANCE

Precise Investigation is covered, Australia-wide, by Professional and Public liability with Lloyds of London. Should you have any specific insurance requirements, we will be happy to consider and accommodate where appropriate.

CLIENT NEEDS

We are discrete, we are ethical and, above all else, we deliver on our promises. We take great care to understand your needs and we work to satisfy your objectives. We abide by industry regulations, we are informed about legal limitations and we are sensitive to all forms of confidentiality and Code of Practice compliances.

LEGAL COMPLIANCE

As specialists in legal process services, our team works to meet the expectations of any client with cases involving high regulatory or legal components, to provide information that can be used in legal proceedings. Our services are regularly sought out by both the civil and corporate legal sectors.

OUR EXPERIENCE AND REPUTATION

Through our seasoned field operatives and dedicated support team, Precise Investigation has built an enviable reputation over the last three decades, as one of the country's most respected Private Investigation agencies.

We are a government-licensed Private Investigation firm – each of our team members are individually licensed to carry out professional private investigation services in their respective states, including, Melbourne, Sydney, Perth, Adelaide, Brisbane, Hobart and even the more remote areas of the country.
